

# Programme VFA Forum interlift 2017, Hall 2

Moderation: Werner A. Boehm, Programme Coordination  
VFA Academy; Werner Koepff and Gerhard Ludwig,  
Senior Board Members VFA-Interlift

## Tuesday, 17.10.2017

### 02:00 The Chinese Lift Market (E)

Zhang Lexiang, CEA China Elevator Association, Langfang/CN

### 02:30 Industry 4.0 - Implications for the Lift Industry (G)

Prof. Dr.-Ing. Wolfram Vogel, Schorndorf/DE

### 03:00 Static, cyclic, and acoustic experimental investigations of JORDAHL Acoustic Isolation (JAI) applied to anchor channel connections in the elevator shaft (G)

Prof. Dr.-Ing. Mazen Ayoubi, JORDAHL, Berlin/DE, Booth 2237

### 03:30 Personnel Qualification is a Guarantee of Safety - Implementation of the National Qualification Assessment System in Russia (E)

Alexey Zakharov, NLU National Lift Union, Moscow/RU

### 04:00 IoT and Elevator Monitoring (ENGL)

Kyle Hendren, Draka Elevator Products, Rocky Mount/USA

### 04:30 IT Security Management in Small and Medium Enterprises (G)

Axel Mandt, orderbase consulting (VFA), Münster/DE, Booth 2174

### 05:00 Vestner Privataufzug - German Homelift Solution (G)

Laura Pitter, Vestner Aufzüge (VFA), Munich/DE, Booth 7125

## Wednesday, 18.10.2017

### 10:00 Mega Cities (E)

Michael Ryan, José Vilchez, The Peelle Company, New York/USA, Booth 7144

### 10:30 The Italian Lift Market: Home Lifts (E)

Giovanni Rolla, LiftingItalia, Bogolese di Sorbolo (PA)/I, Booth 1119

### 11:00 Ventilation of Elevator Shafts - just a gentle breeze? (G)

Kurt Seifert, BTR Brandschutztechnik (VFA), Hamburg/DE, Booth 3208

### 11:30 Hydraulic Elevators are Eco-friendly and Future-oriented (G)

José Guiot, Bucher Hydraulics (VFA), Neuheim/CH, Booth 1118

### 12:00 To Be in the Know (G)

Henry Wuttke, SafeSolutions (VFA), Wipperfürth/DE, Booth 3101

### 01:00 Type-Examination Tested Lift Systems with Components Available in the Market (G)

Volker Lenzner, LiftEquip (VFA), Neuhausen/DE, Booth 1110

### 01:30 How the amended Industrial Safety Regulation 2016 affects Lifts Inspections (G)

Werner Rau, Gomaringen/DE, Booth 2101

### 02:00 The Impact of Brexit on the Lift Industry (E)

David A. Cooper, LECS (UK) Ltd., London/GB

### 03:00 Lift 4.0 - Böhnke Advanced Technology (G)

Michael Müller, BÖHNKE + PARTNER (VFA), Bergisch Gladbach/DE, Booth 7103

### 03:30 Major Changes in the New European Standards for Lifts EN 81-20 and their Significance in Practice (G)

Eva Adam, TÜV SÜD Industrie Service, Munich/DE, Booth 5029

### 04:00 DC versus AC. The war of currents is not over and how it impacts the elevator (E)

Dr. Pilar Molina-Goudo, epic power, Zaragoza/E, Pavilion Booth 103

### 04:30 The Modern Hospital Elevator - Vestner Elevator Innovation (G)

Daniel Kappl, Vestner Aufzüge (VFA), Munich/DE, Booth 7125

### 05:00 Safety First - No more infections by handrails! How an add-on can wow your customers by improving the user safety of the escalator profoundly (G)

Katharina Obladen, Tanja Nickel, UVIS UV-Innovative Solutions, Cologne/DE

## Thursday, 19.10.2017

### 09:30 125th Anniversary of Escalators - fit for future with New Brake Systems! (G)

Alexander Hutler, Mayr Antriebstechnik (VFA), Mauerstetten/DE, Booth 7111

### 10:00 Building Sway Considerations in Elevators Design for Mega Tall Buildings (E)

Jaakko Kalliomäki, KONE, Hyvinkää/FIN, Booth 2186

### 10:30 National Regulatory Applications and Their Impact on the Market (G)

Klaus-Peter Kapp, Jan König, VFA-Interlift, Hamburg/DE, Booth 2101

### 11:00 Occupational Safety: Highlighted by the VFA Academy (G)

Reiner Dummert, VFA Academy, Hamburg/DE, Booth 2101

### 11:30 European Lift Markets - and how they might be affected by Brexit (E)

Robert Wright, ELA European Lift Association, Brussels/BE, Booth 2102

### 12:00 Asien und seine Megacities: innovative Aufzugstechnologie im Urbanisierungsprozess (D)

Karl-Otto Schöllkopf, thyssenkrupp Elevator, Neuhausen/DE

### 01:00 Lifting Elevators into the Cloud - Predictive Maintenance (G)

Tim Ebeling, Henning (VFA), Schwelm/DE, Booth 3101

### 01:30 New Residential Lift for shafts with reduced pit and headroom - new online tool (E)

Lazaros Asvestopoulos, KLEEMANN, Kilkis/GR, Booth 1144

### 02:00 Schmersal Safety Device acc. to EN 81-20/-50 (G)

Dr. Andreas Hunscher, SCHMERSAL, Wettenberg/DE, Booth 7103

### 02:30 Experiences with Suspensions for Gearless Elevator Machines (G)

Dieter Rieger, Ziehl-Abegg (VFA), Künzelsau/DE, Booth 1126

### 03:00 Collecting Information and Data on Elevator Operation to Improve Maintenance Activities - Smart Doors as Technology Enablers (E)

Valentina Pinelli, Wittur Group, Colorno/IT, Cube

### 03:30 The Egyptian Lift Market (E)

Hassan Azzouz, HAUSLIFT, Cairo/EG

### 04:00 Predictive Maintenance - Smart Services enabled by Advanced Analytics (D)

Rami Aro, Weidmüller Group, Neuhausen/CH, Booth 2229

### 04:30 Optamid® Green Pulley - New Design to Reduce the Ecologic Footprint (G)

Jawk Meijer, Lothar Sieber, Schwartz Technical Plastics (VFA), Xanten/DE, Booth 1145

### 05:00 Sound Insulation in Elevator Construction - Causes and Effects: Preview of the VFA Training (G)

Ulrich Nees, Aufzug - Systeme + Beratung (VFA), Porta Westfalica/DE, Booth 3101

## Friday, 20.10.2017

### 09:30 HALFEN Fastening Technology for Elevator Constructions in the International Market (G)

Dirk Borgstede, Halfen, Langenfeld/DE

### 10:00 Safety first! - How to Work Safely on Lifts (G)

Wolfgang Rösch, Berufsgenossenschaft Holz und Metall, Stuttgart/DE

### 10:30 Elevator as an Element of Style for any Building (E)

Erdinc Özcitak, Wittur Group (VFA), Wiedenzhausen/DE, Cube

### 11:00 Common Mistakes in Electronic Safety Systems (E)

Tijmen Molema, LIFTINSTITUUT, Amsterdam/NL, Booth 3185

### 11:30 Ageing at Home Pays: Calculation Model in Sweden and Contribution to the Elevator Market (E)

Daniel Nyman, Hissförbundet, Stockholm/SE, Booth 5115

### 12:00 New Products and Solutions for the Lift of the Future (E)

Marco Pessina, Digicom, Cardano al Campo (VA)/I, Booth 2145

### 12:30 GSM 2G, 3G, 4G - A glance at the History and into the Future of Mobile Communications (G)

Bodo Adamus, Bosch Service Solutions, Berlin/D, Booth 3103

### 01:00 Smart Elevators 4.0: Security and Safety (G)

Matthias Springer, TÜV Nord Systems, Essen/DE, Booth 5135

### 01:30 The futures of Elevator & Escalator Industry (E)

José Maria Compagni, Docensas, Sevilla/ES

All lectures comprise 20 minutes plus 5 minutes discussion.
