

PRESSEMITTEILUNG VFA 11/2016 vom 05.07.2016:

VFA-Forum interlift 2017:

From Tuesday 16 October to Friday 20 October 2017, VFA-Interlift e.V. - Association for Lift Technology - will again be promoting its speakers' Forum for both exhibitors and visitors at the interlift tradeshow. You are cordially invited to hold a lecture of approximately 20 minutes plus a 10-minutes discussion period.

The main topics in 2017 are as follows:

- National, European and international standardisation
- New products and services
- International markets: South America. Turkey: the gateway to the Middle East. United Kingdom and Commonwealth countries. South Pacific.
- Megacities: habitats of the future
- Lifts as a style element in architecture
- Smart Elevators 4.0: digital integration of lifts into buildings
- Occupational health and safety
- Qualifications as the key to producing and recruiting young talents

Offers for papers to be submitted by Monday 17 April 2017, comprising speaker's name, company/institution, communication data and an abstract of the contents in both English and German for internal selection and publication, e.g. on the VFA website. We will inform you regarding the acceptance of your paper by mid-June 2017. The trade fair approaching, power point versions of your speeches are also to be submitted in English and German. After the fair, the power point versions will be published, e.g. on the VFA website.
